- Order prescriptions online (if applicable)

### Powerful tools help you manage your benefits

- Save paper and keep records organized with online statements
- View account balances
- Estimate and compare treatment costs
- Get quick access to discounts and extra benefits
- Print a temporary ID card or request a new one
- Learn how to stay healthy, or research health topics
- Read the latest health articles
- Chat with a nurse in real-time

# More powerful features add up to bigger benefits for your employees

Connect to coverage information 7 days a week

- Monitor year-to-date account balances
- Track deductible, out-of-pocket expenses, and lifetime maximum

The screenshot displays a web portal interface with a navigation bar at the top containing links for Home, Claims & Accounts, Physicians & Facilities, Pharmacies & Prescriptions, Benefits & Coverage, Personal Health Record, and Health & Wellness. The main content area is titled "Account Balances" and includes a sub-section for "Account Balances Plan Year to Date 03/01/2005 - 02/28/2006". Below this is a table with columns for Description, Beginning Amount, Used Amount, and Remaining Amount. The table lists three accounts: Health Reimbursement Account (HRA), Healthcare Flexible Spending Account (FSA), and Dependent Care Flexible Spending Account (FSA). A "Member Actions" sidebar on the left lists options such as Submit a Claim, Appeal a Claim, and Request ID Cards. On the right, there are sections for "Also See" and "Common Questions" with links to related topics.

Description	Beginning Amount	Used Amount	Remaining Amount
Health Reimbursement Account (HRA)	*\$600.00	\$450.00	\$150.00
Healthcare Flexible Spending Account (FSA)	\$2,000.00	\$502.00	\$1,498.00
Dependent Care Flexible Spending Account (FSA)	\$2,400.00	\$400.00	\$2,000.00

- View personal and family claims history, all in one view
- Print a full explanation of benefits from every claim
- Submit a claim online
- Request a replacement ID card

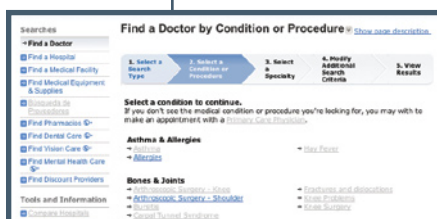

- Get quick access to related topics and next steps through links featured in two new areas, "Also See" and "Common Questions"

# Find and compare doctors, hospitals and more

- Find a physician, and get specifics about hospital affiliations, UnitedHealth Premium<sup>SM</sup> designations, and a map with directions
- Compare hospitals on costs and quality-of-care measures
- Identify leading health care resources in a geographical area

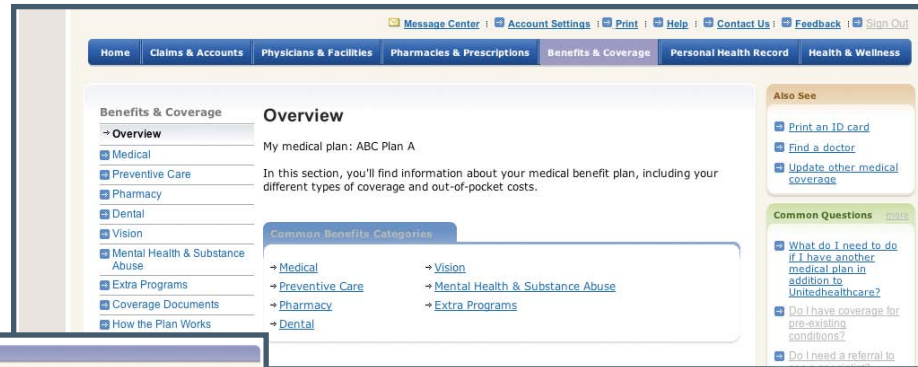

- Save time with a list of the most commonly searched for topics

- New tool helps you find the right physician based on condition or procedure

# Estimate costs of future treatment
